

Privacy policy for this page

Data subjects: website users

In compliance with the Regulation (EU) 2016/679 (hereinafter referred to as "Regulation"), this page describes the methods of processing of the personal data of users accessing our website www.technacy.it.

The information below does not relate to other websites, web pages or online services accessible through any links available on our website but relating to resources external to the Data Controller's domain.

This privacy policy may be modified from time to time in the event of activation of new services or any updates of the laws. Therefore, we recommend to regularly access our website and check for any news.

This page describes how the website is managed in relation to the processing of the personal data of its users. In compliance with art. 13 of the EU Regulation on the protection of natural persons with regard to the processing of personal data, this privacy policy is addressed to the users of the **TECHNACY S.R.L.**'s web services accessible through the website www.technacy.it. Any additional data processing operations are defined in the relevant privacy policy and cookie policy available on the homepage of the official website www.technacy.it.

This privacy policy applies only to TECHNACY S.R.L.'s website, thereby excluding any other websites accessible by the user through any link.

The Data Controller

Following the consultation of this site, data relating to identified or identifiable persons may be processed.

Data Controller: according to the regulations in force, the Data Controller shall be TECHNACY S.R.L., with registered office and operational headquarters in Via Molveno 5, 48015 Cervia (RA), Italy, tax code and VAT registration number 02399920392.

The Data Protection Officer ("DPO") can be contacted at the following e-mail address dpo@technacy.it.

The personal data indicated on this page are processed by "TECHNACY S.R.L.", for the performance of their activities. Consent, execution of a contract, fulfillment of a legal obligation and the pursuit of a legitimate interest are the legal bases that, depending on the data processing carried out on the aforementioned website, will be used.

Place of processing of data

The processing related to the web services of this site are based in Italy and are managed by the service provider Amazon Web Service and are handled by other persons in charge of "TECHNACY S.R.L." as well as by any third companies - for this purpose appointed Data Processors pursuant to art. 28 GDPR, where the legal requirements exist - on the occasion of updating and maintenance operations. No data from the web service is disseminated. The personal data provided voluntarily by users who submit contact requests are used for the sole purpose of performing the service or the service requested, also possibly through external service providers.

Types of data processed and purposes of processing

Navigation data, cookies and other tracking tools

The computer systems and software procedures responsible for the operation of this site acquire, during their normal operation, some personal data whose transmission is implicit in the use of Internet communication protocols.

This data category includes the IP addresses or domain names of computers and terminals used by users, the addresses in URI/URL (Uniform Resource Identifier/Locator) notation of the resources requested, the time of the request, the method used to submit the request to the server, the size of the file obtained in response, the numeric code indicating the status of the response given by the server (good end, error, etc.) and other parameters related to the operating system and the computer environment of the user.

These data, necessary for the use of web services, are also processed for the purpose of:

- Obtain statistical information on the use of services (most visited pages, number of visitors by time or day, geographical areas of origin, etc.);
- Check the correct functioning of the services offered.

Within this website, we specify that no cookies are used for user profiling.

Instead, session cookies are used (not persistent) strictly limited to what is necessary for the safe and efficient navigation of the sites. The storage of session cookies in terminals or browsers is under the control of the user, where on the servers, at the end of HTTP sessions, information related to cookies remain recorded in the service logs, with storage times specific to each third-party operator of the service.

Data provided by the user

The optional, explicit and voluntary sending of messages to the contact addresses of "TECHNACY S.R.L.", as well as the compilation and forwarding of the forms on the website www.technacy.it involve the acquisition of the contact data of the sender, necessary to respond, as well as all personal data included in communications.

Specific information will be published in the pages of the site www.technacy.it prepared for the provision of certain services.

Send job applications/cv for job positions

The sending of Curriculum Vitae in order to apply for a job at Technacy involves the processing of personal data contained therein in relation both to the positions for which the interested person has applied, and to other present and future positions, with the support of paper, computer or telematic means, however suitable to guarantee the security and confidentiality of the related processing. The provision of data is optional but incorrect and/or missing data may make it impossible to process the candidate's data and, consequently, to carry out the selection activities. In case of self-application, the data may also be entered in a database with computerised support and will be processed according to the current research and selection needs.

If the CV is sent in response to a recruitment message from the Data Controller, the data of the data subject will be used exclusively for the purposes of selection related to such research. If, with specific permission, the user invites to process their data also for different selections, the processing will then take place in accordance with the procedures provided for self-application. The data will be processed by employees and/or consultants of the Data Controller and may also be communicated, exclusively for the purposes indicated above, to companies with which the Data Controller has contractual relationships or commercial relations for research and selection of personnel, for this purpose appointed Managers pursuant to art. 28 GDPR where the legal requirements are met. In addition, all the criteria provided by lgs will be adopted. 125/91 to ensure non-discrimination between the sexes in the selection. The processing of common personal data for the purposes strictly related to the selection and recruitment activities and their inclusion in the data base of Technacy does not require the specific consent of the interested party pursuant to art. 11-bis D.Lgs. n. 106/2003. Similarly, pursuant to art. 6 (Lawfulness of processing) of the GDPR, consent is not required even if the CV contains personal data defined "particular" as indicated by art. 9, of the GDPR that please, however, do not enter unless strictly necessary.

Optional nature of data provision

Apart from what is specified for navigation data, the user is free to provide the personal data reported in the information request forms to "TECHNACY S.R.L.", if necessary, whenever you request such data will be provided specific information and, where necessary, required consent.

Methods of processing

Personal data are processed with automated tools for the time strictly necessary to achieve the purposes for which they were collected. Specific security measures are observed to prevent data loss, unlawful or incorrect use and unauthorized access. We inform you that, to provide a complete service, there are links to other websites operated by other owners. We disclaim all liability in the event of errors, content, cookies, publication of illegal immoral content, advertising, banners or files that do not comply with the current legal provisions and the compliance with the Privacy Policy by sites that we do not manage and to which we refer.

Who accesses the data

The data collected following consultation of the site may be accessed by the persons designated by "TECHNACY S.R.L.", pursuant to article 28 of the Regulation, as data processors, as well as the personnel of "TECHNACY S.R.L.", acting on the basis of specific instructions provided for the purposes and methods of processing. The complete list of subjects appointed Data Processors pursuant to art. 28 GDPR may be requested from the Data Controller.

Data transfer abroad

The data controller does not transfer personal data to non-EU countries. Should the need arise, interested parties will be informed in advance, and security measures will be taken for the transfer to the recipients, which may be: verification of the existence of adequacy decisions for the recipient country by the Commission, signing of standard contractual clauses, in the case of U.S.A. verification of adherence to international agreements in force; notwithstanding these guarantees (ref. of art. 49 of the GDPR) the existence of a contract or pre-contractual measures in favor of the interested party or consent to the transfer.
